Artwork Information

We can accept the following file formats for printing:

- Vector EPS
- Vector Adobe Illustrator AI (preferred)

Other bitmap file formats (e.g. JPEG, TIFF, BMP, PICT, GIF etc.) will need to be converted to vector format by our graphics department for an additional fee.

Please note, on receipt of your artwork our graphics department will check and, if necessary, re-work or amend it to complement our printing process. We will always keep you informed of any alterations which may be required including any cost implications. Proofs will be submitted for approval prior to printing.
