## Artwork Information

We can accept the following file formats for dye sublimation printing:

- EPS (vector & bitmap)
- Adobe Illustrator AI (vector & bitmap)
- Bitmap formats: JPEG, TIFF, BMP, PICT, GIF

Bitmap files must be 300ppi resolution.

Please note, on receipt of your artwork our graphics department will check and, if necessary, re-work or amend it to complement our printing process. We will always keep you informed of any alterations which may be required including any cost implications. Proofs will be submitted for approval prior to printing.
